

PRODUCT SUMMARY

Young Living's Cool Azul[®] Pain Relief Cream provides cooling relief from minor muscle and joint aches, arthritis, strains, bruises, and sprains. Our plant-based formula combines the power of Wintergreen essential oil with our exclusive Cool Azul essential oil blend. With two active ingredients, this cream provides pain-relieving benefits in two ways: methyl salicylate found in Wintergreen helps alleviate pain deep in the muscles and joints, and natural menthol found in Peppermint provides a cooling effect. If you need relief without synthetic ingredients, Young Living's pain relief cream is the answer!

KEY INGREDIENTS

Menthol (naturally found in Peppermint, a key ingredient in our Cool Azul essential oil blend), Methyl salicylate (naturally found in Wintergreen), Green tea extract, Organic aloe leaf juice

EXPERIENCE

Our Cool Azul Pain Relief Cream works on contact to immediately alleviate minor aches and pains, delivering full-strength, cooling relief that penetrates deep into muscles and joints.

PRODUCT BACKGROUND

Many pain relief creams are made with harsh chemicals and artificial ingredients. That's why we create Cool Azul Pain Relief Cream—for effective plant-based pain relief made with only naturally derived ingredients. Methyl salicylate is a recognized active ingredient that provides relief from minor aches and pains and is a natural component of our pure Wintergreen essential oil. By combining methyl salicylate with natural menthol, our pain relief cream offers a unique topical analgesic infused with Young Living's 100 percent pure, therapeutic-grade essential oils and other plant-based ingredients for effective temporary relief.

BENEFITS & FEATURES

Temporarily relieves minor aches and pains of muscles and joints associated with:

- Arthritis
- Simple backache
- Strains
- Sprains
- Bruises

DIRECTIONS

- Adults and children 12 years of age and older: Apply to affected area no more than 3–4 times daily.
- Children under 12 years of age: Consult a physician.

NATURAL RELIEF

OVER THE COUNTER

NO PRESCRIPTION NEEDED!

COOL AZUL® PAIN RELIEF CREAM

CAUTIONS

For external use only. Use only as directed. Do not bandage tightly or use with a heating pad.

Do not apply to wounds or damaged, broken, or irritated skin. Avoid contact with eyes and mucous membranes. If severe burning sensation occurs, discontinue use immediately.

- Do not expose the area treated with product to heat or direct sunlight.
- Stop use and ask a doctor if:
- Condition worsens
- Symptoms persist for more than 7 days or clear up and occur again within a few days
- Redness is present
- Irritation develops

Keep out of reach of children to avoid accidental ingestion. If swallowed, get medical help or contact a Poison Control Center right away. If pregnant or breastfeeding, ask a health professional before use.
