

PRODUCT SUMMARY

Inspire your inner athlete with PowerGize™! This supplement—infused with Blue Spruce, Goldenrod, and Cassia essential oils—is specially formulated to help men of all ages boost stamina and performance.* With botanicals from around the world, PowerGize helps sustain energy levels, strength, mental and physical vibrancy, and vitality when used in addition to physical activity.*

Although both men and women can benefit from PowerGize, it's custom-formulated for men. Along with other exotic ingredients, the *Eurycoma longifolia* found in PowerGize helps support the male reproductive system.* PowerGize also contains compounds that are known to increase muscle size and strength, enhance tone, and accelerate recovery in men.*

PowerGize is also formulated with KSM-66, a premium ashwagandha root extract, which is touted for its properties that support immunity, mental clarity, concentration, and alertness.*

KEY INGREDIENTS

Formulated with ashwagandha root extract, *Eurycoma longifolia* and *Tribulus terrestris* and infused with Idaho Blue Spruce, Golden Rod, and Cassia essential oils.

EXPERIENCE

PowerGize uses exotic ingredients from around the world to help support stamina, performance, mental and physical vibrancy, and strength.*

PRODUCT BACKGROUND

We created PowerGize for men of all ages who want to improve their physical performance, enhance their physique, and feel physically and emotionally vibrant.*

The supplement draws benefits from ingredients used around the world, including the ashwagandha root. Ashwagandha belongs to the Solanaceae family and is also known as Indian ginseng or winter cherry. It has been used in Indian Ayurvedic medicine, as well as Southeast Asian and African folk medicine.

FREQUENTLY ASKED QUESTIONS

Q. Information about PowerGize seems to list specific benefits for men. Is this supplement safe and effective for women?

A. Absolutely! PowerGize benefits both men and women. Some ingredients are especially helpful to men, but they still benefit women—just to a lesser degree.

Q. Where is PowerGize made?

A. PowerGize is manufactured in the USA. However, some of its ingredients come from other parts of the world, such as China, India, and Brazil.

Q. Is PowerGize safe for children? Pets? Elderly? Is there anyone who should not use this product?

A. PowerGize is NOT recommended for children or pets. Adults, including the elderly, should consult a physician prior to consuming PowerGize to ensure it fits with their medical regimen and goals.

Q. Does Young Living test PowerGize quality and safety?

A. Yes. Young Living tests every product at multiple steps in the manufacturing process, starting with each raw material and ending with finished product testing.
