

Product Summary

Thieves Vitality is a powerful blend of Clove, Lemon, Cinnamon, Eucalyptus Radiata, and Rosemary essential oils, inspired by the legend of four 15th-century French thieves who formulated the special aromatic combination. Crafted in the spirit of that legendary combination, Young Living's one-of-a-kind Thieves Vitality blend includes the naturally occurring constituents limonene, eugenol, and eucalyptol, which may support a healthy immune system when taken as a dietary supplement.*

Why We Love It

Thieves Vitality is one of Young Living's most popular blends, uniting powerhouse essential oils for a distinct, powerful, spicy combination. Perfect for taking internally as a supplement or adding to foods and drinks for its wonderful flavor, Thieves Vitality is indispensable as both part of your wellness kit and your spice rack. For an extra special treat, try adding a drop or two to your daily NingXia Red[®] shot for a spicy drink that tastes great and packs a punch of wellness-supporting goodness.

- Add Thieves Vitality to your favorite hot drink for a delicious, spicy zing.
- Give baked goods and hot cereal a boost of flavor by adding a drop or two of Thieves Vitality.
- Spice up your NingXia Red shot by including a drop of Thieves Vitality to take advantage of the naturally occurring constituents limonene, eugenol, and eucalyptol, which may contribute to immune and overall wellness.*

[†]100% pure, therapeutic-grade essential oil

Directions

Dilute 1 drop of Thieves Vitality in 4 drops of V-6[™] Vegetable Oil Complex and place in a capsule. Take once daily or as directed by a health professional.

Fun Facts

- Our entire Thieves product line brings you essential oil-infused alternatives for everyday items around the home.
- Cinnamon was so highly prized by the ancient Greeks that they regarded it as a gift fit for royalty and gave it as an offering to the gods.
- Lemon gives Thieves Vitality its subtly citrus notes and contains the naturally occurring constituent limonene.
- Rosemary is native to the Mediterranean region, and the name is derived from the Latin words *ros* (dew) and *marinus* (sea), meaning "dew of the sea."
